Dear Commisisoner,

I am a student in high school. I've read Upton Sinclair's The Jungle. I am aware that in 1906 the first food and drug act was passed, which stated down cows are not to be processed and they still are. I am for the Downed Animal Protection Act 98P-0151/CP1 and I hope you will pass this bill.

Sincerely,

A handwritten signature in cursive script that reads "Melanie Costales". The signature is written in dark ink and is positioned above the printed name and address.
